This kind of strong Alma Connect is unprecedented and hard to match!

5,000+ Well Placed Alumni

Alumni are a very important resource of any university and at SSIM we are proud to have a huge network of over 5,000 alumni who are well placed at various capacities across industries both domestically and abroad. They have risen to high ranks and hold excellent positions in reputed companies.

We strive to engage with our alumni in various ways. They are invited to interact with students to motivate them about careers or to deliver guest lectures on topics of their expertise. They are consulted with regards to suggestions of industry specific workshops to hone our students’ skills. They also become alumni mentors to our students, thus providing them with first-hand knowledge and experienced advice along with a platform for networking. They are invited to sit on panels to conduct SIP viva and/or judge SIP report and become a part of our Board of Governors. We also maintain relationships with them by organizing annual meets on campus.
